The most colourful musical ever!

Since the first production in 1968, 'Joseph and the Amazing Technicolor Dreamcoat', based on the biblical tale of Jacob's son Joseph and his 11 brothers, has proven to be one of the most enduring and endearing shows of all time!!!

A Technicolor triumph! The music is infectious! A whirlwind of bright and energetic fun!!!

Amazing!!!

One of the biggest musicals in the history of theatre... Just got bigger!
